**Winter 2019**

In December the Freedom Starters, led by Melanie Parker and many other community members and groups, provided Christmas to over 16 families. The community effort allowed child and adult survivors of domestic violence and sexual assault to celebrate Christmas without the stress over how they would provide for their family.

During December ESCADV provided services to 52 individuals (16 children and 36 adults). The services included over 350 nights of shelter to 20 individuals (including 13 children) and over 340 hours of advocacy.
