

# ESCADV Snapshot

**August 2020**

ESCADV continues to adapt and move forward in the new normal created by COVID-19. One of the big challenges for us is offering volunteer and other training opportunities in a virtual format. Check our website and follow us on Facebook to be the first to know about upcoming trainings.

ESCADV is in need of volunteers, particularly to assist in coordinating donations received by ESCADV to maintain our storage units in an organized manner. We also need volunteers with access to a truck to assist in moving furniture.

*In memory of the late Reverend Doctor Don Broad. His service as ESCADV board president will always be remembered.*
